

Org Hierarchy

Description:

Current list of the campus financial system (FIS Banner) data entry Organization or Org codes and hierarchy.

Report Tabs/Views:

- Org Hierarchy: a top-down view of the Org hierarchy
- Org Hierarchy by Service Center Code
- Data Entry Orgs – Quick Reference: a numerical list of data entry Org codes with the hierarchy levels and Service Center code referenced

Data Prompts:

- None

Report Limitations:

- Includes
 - Current Org Code hierarchy
- Excludes
 - Historical information

Customizations:

- The data entry Org code can exist at level 4 or lower. To reduce confusion, the hierarchical levels displayed in the report contain non-data entry codes only. A separate column displays data entry codes, regardless of what hierarchical level they were established in.

Cautions:

- The Service Center code information is included as reference only – it is not part of the hierarchical order.

This report has passed the UCSC Data Warehouse's Report Certification Process (see http://planning.ucsc.edu/DataMgmt/dwh/bob/corp_docs.htm). Any user customizations that change the dynamics, functionality or purpose of the report negate the certification status. In such event, please remove all marks of certification from each report tab.
