

All Employees-Current Appointment and Distribution Lookup-Daily

Description:

This report lists all current appointments and distributions for an employee. It searches for the employee based on their name.

Report Tabs/Views:

- Mimics IAPP Screen in PPS

Data Prompts:

- Partial Name --- ALL CAPS -- Last Name First -- %% is wildcard
Example: VAN% returns any last name beginning with VAN (such as VANNICK)
%VAN% returns last, first or middle name with VAN in it (such as VANNICK, IVAN or EVAN)

Report Limitations:

- Includes
 - Current Appointments
- Excludes
 - Historical Appointments

Customizations:

- Indefinite appointment and distribution end dates appear as 99/99/99.
- The Bargaining Code indicates the Title Unit Code for the appointment for collective bargaining purposes. If the appointment is Supervisory or Unrepresented, then the Bargaining Code has been corrected to be "99" and the AREP code has been corrected to state "Not Covered". Likewise, if the employee is "authorized to receive confidential information with regards to labor relations" (determined by employee relations codes B, D, or F), then the AREP code has been corrected to state "Not Covered".

Cautions:

- This report is based on the "daily" extract from PPS. The data in this report reflects the state of PPS at the end of the business day prior to the day the report is run. Daily extracts are not archived, so it is not possible to run this report as of a specific historical point in time.

This report has passed the UCSC Data Warehouse's Report Certification Process (see http://planning.ucsc.edu/DataMgmt/dwh/bob/corp_docs.htm). Any user customizations that change the dynamics, functionality or purpose of the report negate the certification status. In such event, please remove all marks of certification from each report tab.

Current Department Appointments and Distributions as of 5/16/10

Run Date: 05/17/10
